Amit Patil

PHP Developer (6 Months, Internship + Junior)

Pune, Maharashtra | amit.patil@example.com | +91 98XXXXXX03 | github.com/amit-patil-demo | linkedin.com/in/amit-patil-demo

PROFESSIONAL SUMMARY

Hardworking developer with 6 months of hands-on experience in core PHP and CodeIgniter. Built business modules such as billing and inventory with MySQL. Quick learner who is comfortable with both frontend and backend tasks and keen to grow into a full-time Laravel developer.

TECHNICAL SKILLS

Languages: Core PHP, JavaScript, SQL, HTML5, CSS3

Frameworks: CodeIgniter 4, Bootstrap, jQuery

Database: MySQL, phpMyAdmin

Tools: Git, Postman, FPDF/TCPDF, XAMPP, Notepad++, VS Code

Concepts: MVC, CRUD, AJAX, Form validation, Session management, Basic REST

WORK EXPERIENCE

PHP Intern

WebCraft Infotech, Pune | Jan 2026 - Jun 2026

- Developed a billing module with GST calculation and PDF invoice generation using TCPDF.
- Added form validation, search, filters and pagination across 6+ listing pages.
- Used AJAX to make forms and tables update without page reload.
- Fixed 40+ bugs and wrote SQL queries for monthly sales and stock reports.
- Worked directly with the client team to understand requirements and demo features.

PROJECTS

Inventory Management System

Tech: CodeIgniter, MySQL, jQuery

- Tracked products, suppliers, purchases and stock levels with low-stock alerts.
- Created user roles (admin, store manager) and activity logs.

Library Management System (Diploma Project)

Tech: Core PHP, MySQL

- Implemented book issue/return, fine calculation and member management.

EDUCATION

Diploma in Computer Engineering

MSBTE, Pune | 2022 - 2025 | Percentage: 79%

SSC

Maharashtra State Board | 2022 | 86%

CERTIFICATIONS

- PHP and MySQL Bootcamp - Udemy (2025)
- CodeIgniter Basics - YouTube/Online course (2025)

ACHIEVEMENTS

- Selected as 'Best Intern' for Q1 2026 at WebCraft Infotech.
- Delivered the billing module two days ahead of the deadline.

LANGUAGES

English, Hindi, Marathi
